# NOT IN OUR COUNTY:

## Say NO to the Death Penalty in Santa Clara County

- Sentencing people to death costs far more than permanent imprisonment. Savings could be used to investigate county cold cases and fund crime prevention programs.
- Sentencing people to death could result in execution of the innocent. Nationwide 139 people have been released from death row after evidence proved their innocence.
- Faith Communities, including the Santa Clara Council of Churches, are overwhelmingly opposed to the death penalty.
